

Low voltage NH fuse

Part no.                   NH FUSE 50A 500V GG/GL SIZE 01  
                                 50NHG01B  
EL Number               1664042  
(Norway)

|                                      |  |                                                                  |
|--------------------------------------|--|------------------------------------------------------------------|
| General specifications               |  |                                                                  |
| Product name                         |  | Eaton Bussmann series low voltage NH Fuse                        |
| Part no.                             |  | NH FUSE 50A 500V GG/GL SIZE 01                                   |
| EAN                                  |  | 5027590483278                                                    |
| Product Length/Depth                 |  | 135 millimetre                                                   |
| Product height                       |  | 58 millimetre                                                    |
| Product width                        |  | 30 millimetre                                                    |
| Product weight                       |  | 270.667 gram                                                     |
| Compliances                          |  | RoHS Compliant<br>CE Marked                                      |
| Certifications                       |  | DIN 43620<br>IEC 60269-1<br>IEC 60269-2                          |
| Product Tradename                    |  | None                                                             |
| Product Type                         |  | Low voltage NH fuse                                              |
| Product Sub Type                     |  | None                                                             |
| Electrical data                      |  |                                                                  |
| Amperage Rating                      |  | 50 A                                                             |
| Voltage rating                       |  | 500 V                                                            |
| Voltage type                         |  | AC                                                               |
| Breaking capacity                    |  | 120 kA                                                           |
| Class                                |  | Class gG/gL                                                      |
| Frequency rating - min               |  | 45 Hz                                                            |
| Frequency rating - max               |  | 62 Hz                                                            |
| Product specifications               |  |                                                                  |
| Fuse size                            |  | NH0                                                              |
| Insulated metal gripping lugs (IMGL) |  | No                                                               |
| Accessories                          |  |                                                                  |
| Suitable for                         |  | EBF Vertical fuse rail<br>EBV Vertical fuse switch-disconnectors |
