

Airam Led

7.2W 15000h BX

For all residential lighting needs

A very comprehensive lamp series that provides a solution for all residential lighting needs. These lightweight, durable lamps can fully replace incandescent bulbs, halogen lamps and compact fluorescent lamps. The lamps have a pleasant, warm white (2700 K) colour temperature. The opal light source provides non-glaring light. The eco-friendly cardboard packages are colour-coded. The colour indicates the corresponding incandescent bulb, making the choice simpler for the consumer. Technical specifications are also clearly presented. Ensure the compatibility of the range's 12V lamps with your transformer.

Opal P45 bulb LED lamp 7.2W 2700K E14 806lm
15000h 45x85mm, cardboard packing. Supply
frequency ~50/60Hz.
