Airam Led 1.4W 15000h BX

LED filament

The filament lamps with clear covers replace old, clear incandescent bulbs and halogen lamps. Thin LED strips are used to generate the light. Filament lamps are ideal for chandeliers. The colour temperature is a pleasant warm white (2700 K). The eco-friendly cardboard packages are colour-coded. The colour indicates the corresponding incandescent bulb, making the choice simpler for the consumer. Technical specifications are also clearly presented.

Clear P45 bulb filament LED lamp 1.4W 2700K E27 136lm 15000h 45x80mm, cardboard packing. Supply frequency $\sim 50/60$ Hz.
