

Clamping lamp

VIPER – R22398102

incl. 1x SMD, 3W · 1x 400lm, 3000K

- **Cable switch**
- **Flexible**
- **IP20**
- **Clamping lamp**

The VIPER clamp light impresses with its flexibility. The integrated clamp makes it easy to attach to your table, for example. The entire neck of the light is flexible so that you can optimally illuminate your desired area. The light can be switched on and off using the integrated cord switch. It is designed in the colour black and therefore fits into any living area. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
