

Wall lamp

THAMES II – 227560231

incl. 2x SMD LED, 2,5W · 2x 260lm, 3000K

- **Up and Down lighting**
- **Wallmounting**
- **Not suitable for external dimmer**
- **IP54**

The modern THAMES II outdoor wall light impresses with beautiful lighting effects and conjures up great accents in outdoor areas thanks to the upward and downward light beams. Indoors, it is particularly effective as contemporary lighting for corridors and hallways or as a beautiful designer living room lamp. Regardless of the purpose for which you need your wall light, whether you are looking for LED outdoor wall lights for façade lighting in the entrance area, modern patio lights, directional path lights or indoor lights such as hallway lamps or living room lamps, the wall light fulfils all these requirements in every respect. The matt white finish is simple yet elegant. It is therefore very versatile. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Diecast aluminium · White mat

Product dimensions

Width: 11cm
Height: 9cm
Weight: 0,5kg
