

Wall lamp

## THAMES II – 227660231

incl. 2x SMD, 4,5W · 2x 450lm, 3000K

- **Up and Down lighting**
- **Wallmounting**
- **IP54**
- **Not dimmable**

The THAMES II outdoor wall light conjures up great lighting accents on your house façade. The modern up and down lighting creates a cosy lighting atmosphere outdoors. Indoors, it is particularly effective as contemporary lighting for corridors and hallways or as a beautiful designer living room lamp. Regardless of the purpose for which you need your wall light, whether you are looking for LED outdoor wall lights for façade lighting in the entrance area, modern patio lights, directional path lights or indoor lights such as hallway lamps or living room lamps, the wall light fulfils all these requirements in every respect. The matt white die-cast aluminium version is versatile. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Diecast aluminium · White mat

### Product dimensions

Width: 17cm  
Height: 9cm  
Weight: 0,7kg
