

Accessory set CONT-BC-M16

Additional insulation plug set for CONT630 screened separable connectors. The set contains components for 3 cores. Insulating plugs, threaded bolts, nuts, washers and insulating caps are included in the kit. This M16 insulation plug set enables connection of CONTB630-24Lxx series back connectors and CONT-SA10-xx series surge arresters with M12 threaded CONT630 series separable connectors.

- Shear head cable lugs – range taking
- Easy installation – only few components
- Silicone material – easy to apply.
