

## FLY AWAY 30 ALLROUND

The Eurom Fly Away All-round 30 is an electrical insect killer for inside the house. This insect killer has 2 15 Watts UV lights, and can make up to 150 m<sup>2</sup> insect free. The lights attract the insects, the high tension grill electrocutes them. Besides the UV lights there is also a attractant reservoir. By adding an extra attractant more insects will be attracted, and you are sure to have an insect-free room.

The Fly Away All-round 30 can easily be emptied and cleaned thanks to the collecting tray.
