Nimi Radiaator Beta

Portable convector Beta 500W/230V with mechanical thermostat and plug, White color, RAL9010. IP21. 389x585mm.

Kirjeldus Portable convector Beta has a modern appearance and it is made of durable hot-dip galvanized steel. It has an easy to use mechanical thermostat and a connection plug. Convector can be easily used as temporary heat source in e.g. garages, warehouses or houses. Wall bracket is not included in the package so the heater cannot be installed on the wall but instead on floor with its own feet. The feet are within the package.
