

PAS-W 35

Medium voltage overhead line covered with aluminum conductors

APPLICATION

Aerial power cable with stranded and compacted aluminium conductor.

CERTIFICATIONS AND DESIGN STANDARDS

EN 60228 Conductor standard

DESIGN

Conductor material Aluminium  
Conductor surface Bare  
Material outer sheath XLPE

MECHANICAL AND ELECTRICAL DATA

Product name PAS-W 35  
Number of cores 1  
Nominal outer diameter [mm] 11.4  
Conductor resistance at 20° C [Ohm/km] 0.868  
Cable weight [kg/km] 160

Current load, Installation method (e.g. in air)

Item name	EAN-code (GTIN)	Packaging type	Standard packaging quantity
PAS-W 35, 20 kV	4741532130709	Drum	2,000
