According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EC Declaration of Conformity and CE marking according to the Low Voltage Directive 2014/35/EU.

This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

This certificate replaces previously issued ref. No. 1222126 dated 14 January 2013 and ref. No. 1222127 dated 14 January 2013.

A new certificate has been issued on account of expired valid date and merge of the two expired certificates to one.
